The 2-day Thomas Merton in Alaska Conference celebrates the 50th anniversary of Thomas Merton's visit to Alaska, just months before his passing. The conference features an optional field trip to St. John's Orthodox Cathedral (where Father Merton began his Alaskan travels) and a series of lectures by insightful Merton scholars and others that bring to light the importance of Merton's 1968 visit to Alaska.

*** Registration prior to the conference is required. Register now – space is limited!**
